Presidents Report continued...

We have the Northern Centre Challenge on the 2nd November with 75 athletes competing.

Marshalling times have changed this year with the first event being marshalled at 9.45am. Don't forget your chair, sunscreen and hat. (Warm up at 9.15am)

It is also a requirement for parents to help out on sites on the day and your cooperation in this will be appreciated. Duties will be distributed once known and organised.

Good luck to all athletes, and remember all athletes must compete in all events to have a chance at bringing home a shield for the centre. At the end of the day you will be given a badge to be worn on your sleeve of your shirt for your efforts.

In the past couple weeks we have had the Burnie 10 and Burnie 321 Go. Well done to all those that competed in both these events.

We also had the Tasmanian All Schools in Launceston. We had 10 athletes competing and some even trying out to be selected to represent Tasmania at the Secondary Australian All School Championships in Perth, Western Australia early December. Conditions weren't real good especially Saturday, but they still managed PB's, smiles, and even some medals. Well done to these athletes and congratulations to Secondary student Chelsea Scolyer who will be heading to WA. Also heading to Perth is Jenna Saltmarsh who is competing in the Nitro Competition along with Chelsea, former athlete Courtney Hingston and 2 others. All the best girls. (<https://www.athletics.com.au/events/47562/>)

At the Health Care Insurance 321 Kids race on Sunday 27th, a big thank you must go to Peter, Zahli and Izhah French, Shane, Jodie, Johannah and Jennifer Fuller, Callie and Olivia Collins, Anna Triffett, and Brendan Hyland for running our barbecue at this event. We will let you know how much was raised once known.

Reminders:

If new athletes have competed at 2 meets, they must be registered.

If registered you must have your name badge, a McDonald badge, a Tasmanian Little Athletics badge and Coles badge sewn on the front of your shirt.

We will also start looking at uniforms as athletes need to be wearing plain black shorts, no long skins or coloured thread.

Sponsors:

Thank you to our sponsors that we currently have, Wynyard Transport, Apex Ulverstone, Tasvalve, Coastal Electronics, Humphrey family, One Agency and Ricoh.

You may have noticed our red baskets are starting to get business logo's on them. These are our age group sponsors and you too can have your business displayed on there for as little as \$100 per age group gender. Other Sponsorship packages are available as well. If you are interested, enquire at our office. *Continued page 3...*

COMMITTEE AIMS & EXPECTATIONS**The Committee's aim is to:**

- Provide an enjoyable sport for your children.*
- Provide a safe environment for athletes, parents, siblings and spectators.*
- Teach and/or coach the correct manner in which to compete in each event.*
- Organize each meet so it can be completed as efficiently as possible.*
- Provide safe and compliant equipment to use.*
- Keep costs down so that athletics is affordable to all.*
- Provide an avenue to enter into senior athletics.*
- Support all athletes of all abilities equally.*
- Provide information from Tasmanian Little Athletics as soon as possible.*
- Be aware of children with special needs, make allowances for them to compete & attain PB's.*

We believe we do this as best as we can, but are always open to suggestions to make this centre even better than it already is.

The Committee's expectations from each parent are:

- Encourage your child, not criticize.
- Allow your child to have fun. We have all had our go at trying to be a super athlete, try not to live your life in their shoes.
- Stay and watch your kids. We are not a childcare centre, we host an event for your child to compete in, we provide a safe environment for this, and you are responsible for your child whilst they are on site.
- Emphasize PB's, not winning.
- Help out on site with the field events. This means measuring, spiking, raking or keeping the kids waiting patiently, quietly, together, and ensuring they are supportive to others competing.
- Have your turn in canteen or cooking on the barbecue.
- Pick up all rubbish that may be left behind by your group when leaving a site.
- Show respect to the person who is chief judging, they are doing their best & are a parent just like you.
- Have a Working with Children's Card up to date. (Working with Vulnerable People)
- If you take equipment from the cupboard please return it at the completion of the event.
- Should any equipment be broken, or poorly maintained report it to a committee member to allow prompt repair or replacement.
- Help when asked, if possible.
- The infield is out of bounds to everyone unless you are a crew member of an event. Please stay in the waiting areas as designated by the Chief Official.
- Always watch the apparatus being thrown, as sometimes a Discus, Shot Put or Javelin can be released in your direction by other athletes learning to perfect their throw, this is particularly important in Discus.
- When your child is entered in a state meet, our centre is responsible for providing qualified officials and event crew during this meet. For your child to compete, you will be required to assist at either field or track events. Even if your child has entered and doesn't compete on the day we are still required to do duties for this athlete so commitment once entered is paramount.

If we all work as a team and comply with this document our meets will run smoothly and be an enjoyable place to be for not only the parents but to also the athletes competing.

On behalf of myself and the committee thank you for your cooperation & assistance throughout the season.
